COLLECTORS.

"The pursuit and study of the Fine Arts in their various branches, have been a source of constant enjoyment to me in the intervals of business, and often of great solace and relief at trying periods, and this alone would be a pleasurable indemnification for my investments, should they fail to be commercially reproductive. It is said that Collectors usually have long lives, and I cannot help feeling that the cheerful exercise of the mind and body which belongs to the pursuit, warrants the assertion; and I hope in due time to say, *probatum est.*"

NEWS OF THE QUARTER.

THERE has been no collection of postage stamps sold during the past quarter, or any special items of interest, except the new issues which will be found described below. The extensive collection of postage and revenue stamps formed by the late Dr. George S. Blackie has been catalogued by our publishers and will be sold at auction about the latter part of September. Catalogues will be sent to all regular auction buyers and will be sent to any amateur on receipt of a stamp for postage. The forty-first edition of our publishers' Standard Postage Stamp Catalogue has been issued and will be found to contain all the new issues and sustain its well-earned reputation. Commencing our list of new issues near home, we are enabled to be the first to describe the new

CANADA.—The half-cent has been engraved on a smaller scale, making it about two-thirds the size of the other values; the color and general arrangement remain the same, the only difference except the size being in the corner ornaments. It is a decided improvement on its predecessor and a beautiful addition to our albums.

½ cent, black.

GREECE.—The colors of the 20 and 30L have been changed 20 lepta, to carmine; 30 lepta, blue.

CYPRUS.—A correspondent favors us with specimens of these stamps surcharged as follows :

"30 PARAS" in black on 1 pi. rose ; "½" repeated in black on ½ p. green ; 30 paras, rose-lilac.

SANDWICH ISLES.—The stamps described in our list are now in use.

BRAZIL.—The last issued 100 reis has been slightly altered in re-engraving, the head being broader, the color is also greener.

100 reis, sea-green.

BARBADOS.—A new set for this colony will soon be in use from the mill of Messrs. De La Rue & Co., which, as they only have one design, is sufficient description. The colors and values are as follows :

½ penny, green ; 1 penny, carmine ; 2½ penny, blue ; 3 penny, mauve ; 4 penny, greenish gray ; 6 penny, brown ; 1 shilling, orange ; 5 shillings, yellow.

There will also be two envelopes and newspaper band, as follows :

½ penny band, brown ; envelope, 1 p., rose ; 4 p. gray.

LABUAN.—A new engraving, appropriate to the value, has taken the place of the old surcharged stamps.

8 cents, carmine.

MAURITIUS.—The eight-cent envelope has been re engraved without much alteration of the design.

8 cent, blue.

NEW ZEALAND.—The new set for this colony is now in use ; the designs are the same as employed on the last set, with the values changed about, after the fashion of the Papal issues. The inscription has been altered to NEW ZEALAND POSTAGE AND REVENUE. The colors are :

1 penny, rose ; 2 pence, blue ; 3 pence, yellow ; 4 pence, sea-green ; 6 pence, brown ; 1 shilling, dark-brown.

PORTUGAL.—We are now enabled to add another value to the one described in our last issue.

50 reis, blue.

• GREAT BRITAIN.—Here a telegraph stamp has been altered to do duty for postage purposes as well, the £5 orange has had "postage" put in the place of "telegraphs," the stamps being used for both purposes.

Large oblong £5 orange.

The envelope stamp will now be printed without the dates, the space being filled by a star ornament.

VENEZUELA.—The "Escuelas" stamps, although properly issued for revenue purposes, have long been used for inland postage. This fact has been pretty generally known, but owing to their rough, ugly appearance, have never been accepted by philatelists ; but now that a new series has been prepared by the Bank Note Co., they are likely to come into general favor. The new set has the profile portrait of Gen. Bolivar to right in oval, ESCUELAS above, value below, and numerals in corners. The colors and values are as follows :

5 centimos, green ; 10c., gray ; 25c., yellow ; 50c., blue ; 1 bolivar, rose ; 3b., violet ; 10b., bistre ; 20, mauve ; 25b., black.

The series for foreign postage has the same profile to left and CORREOS DE VENEZUELA above, value below, the series consists of

5 centimos, blue ; 10c., bistre ; 25c., gray ; 50c., green ; 1 bolivar, violet.

NEVIS.—We have seen a 4p., blue, of the new type; by this it would appear that the beautiful series of this country is to be abolished.

MEXICO.—As we go to press a new series has appeared, the design of the low values being a large numeral of value; the others of the series bear a portrait. We have seen 3c., carmine; 6c., blue.

A REVISED LIST

OF ALL

Postage Stamps and Stamped Envelopes

This is the only work of the kind ever published in America, and in the short space of two months has become the standard of all English-speaking stamp collectors. It contains an accurate list of every postage stamp ever issued, minutely describing every variety of color, water-mark and paper, together with all the minor details concerning the different dies of the same stamp. It is fully illustrated with about fifteen hundred engravings, and besides being the latest is the most accurate work of the kind ever printed. Numerous notes explain every doubtful point in Philately, and give many interesting details concerning the causes which led to the issue or suppression of noted stamps. Mr. Coster's valuable monograph on the United States locals is added entire, forming a work which no collector who has outgrown the boy period of pasting stamps in a copy book can afford to be without. It is not a price list or a dealer's advertisement in any sense of the word.

**Large 8vo. 400 pages. - Cloth, \$2.50.
Paper, Stitched, - - \$1.10.**

**SCOTT & COMPANY, 721 BROADWAY, NEW YORK

Specimen paragraph :

1856

Ship sailing to right in center, DAMUS PETIMUS above, QUE VICISSIM below, in outer lined frame inscribed, BRITISH above, GUIANA below, POSTAGE on left, FOUR CENTS on right side. Black imp., large obl.

4 cents, magenta, dark blue.

NOTE.—These stamps were type set in the colony, for use temporarily, each one being authenticated by the postmaster's initials, and as a further precaution were not sold to the public, but affixed to the letters by the post-office clerks. They are among the rarest stamps known.

CRITIQUES.

"The work is profusely illustrated, and forms a valuable book of reference for postage stamp collectors."—*The N. Y. Daily Graphic*, June 26.

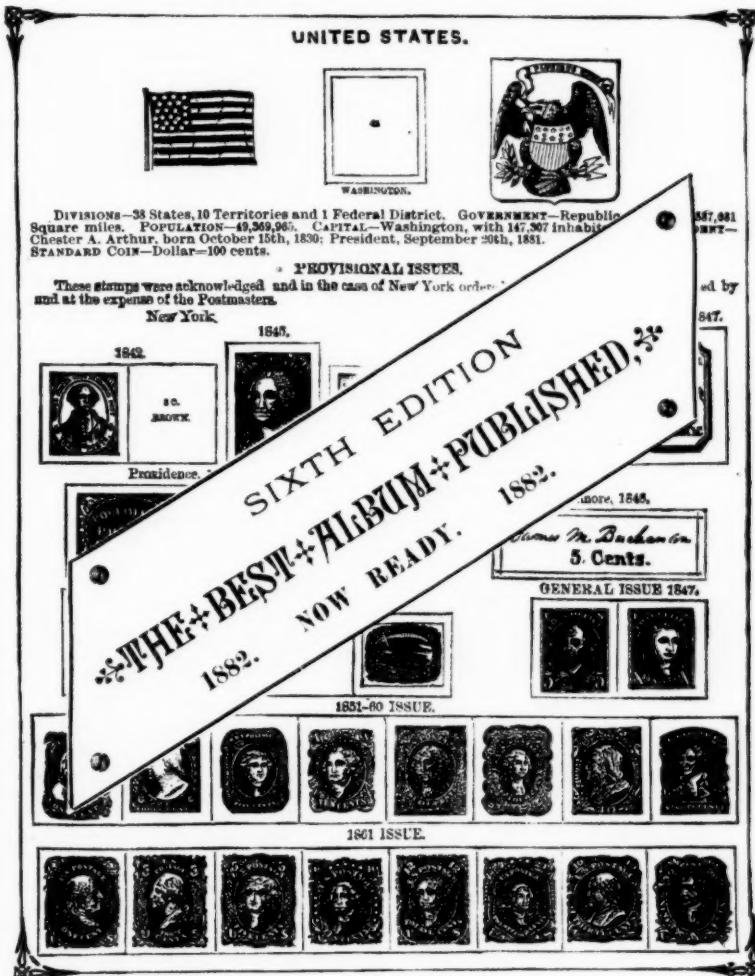

"Will be highly appreciated by philatelists the world over. It is the first complete catalogue of all stamps ever issued that has been made for collectors, and if it were a catalogue only, it would be of great value, but it is much more. The 400 broad pages contain the full history of every issue of every government, and a full description of every stamp, both government and private. Fifteen hundred engravings illustrate the text, and a complete index makes the information readily accessible."—*The N. Y. World*, June 21.

"The book is decidedly remarkable for the industry and patience displayed in the compilation of facts concerning postage stamps and stamped envelopes all over the world. To those who have paid no special attention to this curious study this catalogue will be a revelation, for though there are over one thousand five hundred fac-similes of stamps scattered over the 410 pages contained between its covers, they form only a tithe of the whole, for the catalogue describes several thousand varieties. Turning over the leaves of Mr. Scott's catalogue we are compelled to admire the system he has adopted, while realizing the time and study he must have devoted to his subject. The result is a manual that must be a great help to old collectors and indispensable to beginners. Clearly printed in large type and handsomely bound, the book will undoubtedly become a standard work of reference."—*N. Y. Herald*, June 30th, 1879.

COIN AND STAMP AUCTIONS.

46th Sale.

Scott & Company will open the Fall auction season with the sale of the large collection of Postage and Revenue Stamps formed by the late Dr. George S. Blackie, of Nashville, Tenn., and sold by order of his executrix, on **Monday, October 2d, at Clinton Hall, Eighth St., near Broadway.** Catalogues will be mailed to all auction buyers, or can be obtained of Scott & Company by sending a stamp for postage.

47th Sale.

This is a fine collection of American and Foreign Coins and will be sold early in October. For particulars see next issue.

THE REVENUE STAMP ALBUM.

This Album is specially designed to contain the Revenue Stamps of the world, great care having been bestowed in its preparation. It contains spaces for the U. S. Revenue Stamps, and is well calculated to contain, in a convenient and elegant form, these interesting mementoes of the greatest struggle the world has ever witnessed, and vividly illustrates the darkest pages of our national history. It is made uniform with the Common Sense Postage Stamp Album, and forms an interesting second volume to that work.

EXTRACT FROM PREFACE.

In the present state of knowledge concerning revenue stamps, it is simply impossible to make the book perfect, nor would it be advisable to do so, if the necessary data were at hand, as the supply of these labels is, at present, very limited, which would in that case make it impossible to fill the Album. Perhaps the greatest charm in collecting revenue stamps consists in the uncertainty and romance connected with it; nearly every amateur having specimens in his album which are totally unknown to his brother collectors, and there being no definite value or degrees of value yet established; but, of course, this state of things is rapidly passing away, and ere many years, or even months have elapsed, collectors will awake to the knowledge that they have some priceless rarities among their revenue stamps, which, perhaps, have only cost them two or three cents.

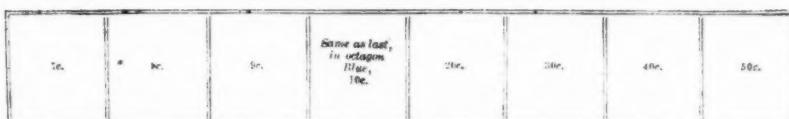

Taking these facts into consideration, spaces have only been prepared for well-known and obtainable series of foreign revenue stamps; but by the plentiful distribution of blank pages throughout the book, ample room has been secured for all fiscal stamps that may be acquired by the owner.

SCOTT & COMPANY,

INDISPENSABLE TO EVERY STUDENT OF OUR HISTORY.

WE CALL ATTENTION TO THE SPECIAL EXCELLENCIES OF THE DIFFERENT DEPARTMENTS.

Colonial.—Under this head will be found the most accurate list ever published, of the various notes issued by the different States prior to the independence of the country, with an illustration of the style of note made by each State. In all cases where the State records are still in existence, our list has been taken from them, but as all the different notes issued have not yet been found in collections, the lacking ones are indicated by an asterisk (*), which will doubtless be the means of notifying collectors that they are the unknowing possessors of unique notes in their collection, which are always salable for from five to ten dollars each.

Continental.—Here will be found a complete list (illustrated) of all the notes issued by the General Government, with which they carried on the war of independence to a successful issue.

Confederate.—The complete list of these notes is both interesting and instructive, and shows by the great quantities of designs issued, the straits to which the rebels were put to raise money for their unholy war.

Currency.—The list of fractional currency is accurate to the minutest details, describing 74 different varieties issued from 1862 to 1878. The prices attached to each variety are low, giving all the opportunity to complete their sets.
